

Rockaway Borough Recreation Commission

Donatoni Community Park Fundraiser

The Rockaway Borough Recreation Commission is selling engraved bricks to help fund future improvements at the newly dedicated Donatoni Community Park. Currently, our goals include a concession stand, playground, dog park and park benches. We envision the engraved bricks being located adjacent to the concession stand, creating a welcoming patio. What a wonderful way to contribute to the community and memorialize yours or a loved one's family/business name!

- How much? Brick purchase price is \$50.00 (checks made payable to Rockaway Borough Recreation Commission)
- How big? The size of each brick is 6 inches by 9 inches
- What can I engrave on my brick?
 - Each brick can contain a message up to 39 letters
 - 13 letters per line, 3 lines per brick
